Mr. John B. Butler, Chairman
School Committee
Town of Wayland, Mass.

Dear Sir:

The Trustees of the Wayland Public Library have warmly endorsed the idea of acquiring a bookmobile for service to both elementary schools, and the library public of this town. In order to study this undertaking in detail, and come up with recommendations, the board has designated Mrs. Theone H. Morgan and Mr. Egon Weiss to cooperate with the School Committee in order to work out a solution.

At the present time serious consideration is being given to the establishment of a juvenile department at the Wayland Library. Such facilities will be a prerequisite to adequately house and service any future bookmobile collection.

Kindly advise The Chairman of the Board of Trustees as to your plans in order to effect a speedy implementation of this project.

Very truly yours,

Egon Weiss
